Comments or questions about National Opera Week

ACCEPTANCE

- We agree to host at least three Opera Teens events between September 2015 and August 2016.
- We have read and understand the Opera Teens Privacy Policy.

NEXT STEPS

1. Review: OPERA America will review your Council application once you submit this information via the online registration form.
2. Online Presence: If you have not already created a URL, you will be asked to submit a link representing your Council's online presence. This can be a public Facebook group, independent website or other online page. The link will appear in the Council Directory on the Opera Teens main website.
3. Events: Get started on your events. There will be opportunities to promote your events nationally, blog about your activities and share what you are learning with other Councils.
